

Packable Wind Vest

Procurement review sheet. Open fields are buyer decisions or supplier confirmations; they are not published product claims.

1. Product selection decisions

Buyer/use fit	Teams, events and shops adding compact wind protection to an approved kit.	Buyer confirms intended use and roster.
Fit direction	Fit over the intended jersey, riding position, hem overlap and pocket access.	Approved product/size route or fit-sample record.
Material priorities	Wind, airflow and packability priorities without assuming waterproof or thermal ratings.	Written priorities plus confirmed material specification.
Construction	Back ventilation, closure, jersey-pocket access and packed-volume expectation.	Approved feature and trim list with exclusions.
Artwork/brand	Sponsor visibility when the vest covers the jersey or is partly unzipped.	Approved artwork version and authorized approver.
Sample focus	Over-layer fit, closure, ventilation and packability behavior.	Recorded sample purpose, result and release decision.

2. Project-specific confirmations

Buyer / organization	_____
Destination / required date	_____
Quantity by product and size	_____
Artwork version / approver	_____
Sample route / decision	_____
Labels / packaging / fulfillment	_____
Quoted MOQ / price / currency	_____
Production / payment / shipping terms	_____

Evidence boundary. This sheet is a review record, not a technical data sheet, quote, compliance certificate or production release. Product composition, performance, MOQ, price, sample, capacity, timing, payment, packaging, shipping and destination requirements are valid only when confirmed in current written project documents.
