

Thermal Knee Warmers

Procurement review sheet. Open fields are buyer decisions or supplier confirmations; they are not published product claims.

1. Product selection decisions

Buyer/use fit	Clubs and transitional-weather programs requiring removable knee coverage.	Buyer confirms intended use and roster.
Fit direction	Coverage length, knee articulation, upper/lower retention and bib overlap.	Approved product/size route or fit-sample record.
Material priorities	Thermal, stretch, moisture and joint-comfort priorities.	Written priorities plus confirmed material specification.
Construction	Anatomical panels, grippers, seams and edge finish around a moving joint.	Approved feature and trim list with exclusions.
Artwork/brand	Graphics checked for rotation and distortion in riding posture.	Approved artwork version and authorized approver.
Sample focus	Joint movement, retention, overlap and product-specific size route.	Recorded sample purpose, result and release decision.

2. Project-specific confirmations

Buyer / organization	_____
Destination / required date	_____
Quantity by product and size	_____
Artwork version / approver	_____
Sample route / decision	_____
Labels / packaging / fulfillment	_____
Quoted MOQ / price / currency	_____
Production / payment / shipping terms	_____

Evidence boundary. This sheet is a review record, not a technical data sheet, quote, compliance certificate or production release. Product composition, performance, MOQ, price, sample, capacity, timing, payment, packaging, shipping and destination requirements are valid only when confirmed in current written project documents.
