

Women's Team Jersey

Procurement review sheet. Open fields are buyer decisions or supplier confirmations; they are not published product claims.

1. Product selection decisions

Buyer/use fit	Mixed-roster teams requiring a women-specific product route with a shared team identity.	Buyer confirms intended use and roster.
Fit direction	Shoulder, bust, waist, torso and sleeve expectations on representative riders.	Approved product/size route or fit-sample record.
Material priorities	Material direction coordinated with the broader kit without overriding fit needs.	Written priorities plus confirmed material specification.
Construction	Product-specific size allocation and panel behavior across the intended range.	Approved feature and trim list with exclusions.
Artwork/brand	Sponsor marks and graphics scaled for different panel shapes and sizes.	Approved artwork version and authorized approver.
Sample focus	Representative riders record exact product and size, not only a translated size label.	Recorded sample purpose, result and release decision.
